AO 91 (Rev. 08/09) Criminal Complaint

UNITED STATES DISTRICT COURT

for the
Northern District of CaliforniaUnited States of America
v.
Deonzelle Antonio PIERCE, aka "Dubee"

Case No.

Defendant(s)

CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief.

On or about the date(s) of January 23, 2011 in the county of Contra Costa in the
Northern District of California, the defendant(s) violated:

Code Section

21 U.S.C. § 841(a)(1)

Offense Description

Possession with intent to distribute a Schedule II controlled substance,
namely, a mixture and substance containing a detectable amount of
methamphetamine.

This criminal complaint is based on these facts:

See attached AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT

AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT

I, Patrick Joseph Ernst, Special Agent of the Federal Bureau of Investigation, being duly sworn, hereby declare as follows:

I. INTRODUCTION

1. I am a Special Agent of the Federal Bureau of Investigation (FBI) assigned to the San Francisco Division and have been so employed since August 15, 2010. As a federal agent, I am authorized to investigate violations of the laws of the United States and I am a law enforcement officer with authority to execute warrants issued under the authority of the United States. My FBI Special Agent training consisted of a twenty-one week new agent training class during which I received instruction on various aspects of federal crime. Prior to becoming an FBI Special Agent, I was a Special Agent for the Internal Revenue Service-Criminal Investigation (IRS-CI) for approximately five years. As a Special Agent for IRS-CI, I trained at the Federal Law Enforcement Training Center (FLETC) in Glynco, Georgia for twenty-four weeks. Training at FLETC consisted of instruction on legal principles and a variety of federal criminal violations, including money laundering, tax evasion, and other tax-related crimes. I have conducted criminal investigations involving investment fraud, money laundering, tax evasion and other financial crimes, as well as violations of the Bank Secrecy Act. I have also participated in the planning and execution of numerous federal search, seizure, and arrest warrants involving the above violations.

2. During the course of this investigation, I have consulted with Special Agent Gregory M. Eckhart. SA Eckhart has been an FBI Special Agent since August 2003. He is currently assigned to the San Francisco Field Division of the FBI, and investigates cases involving gangs, drug trafficking, and violent fugitives. He has received training at the FBI Academy in Quantico, Virginia, including training on violent street gangs, criminal case management, informant development, Title III investigations and the identification, use, packaging and sales of controlled substances. SA Eckhart also attended numerous training schools and seminars related to gangs, violent crime, and narcotics investigations, including many that provided instruction on drug-trafficking methods, money laundering methods, and

1 techniques for investigating those crimes. SA Eckhart has participated in the execution of
2 numerous state and federal search warrants and arrests involving alleged narcotics trafficking,
3 and he has participated in numerous investigations of narcotics traffickers and violent street
4 gangs. These investigations have involved the use of confidential informants, wire and physical
5 surveillance, telephone toll analysis, investigative interviews and the service of search and arrest
6 warrants.

7 3. SA Eckhart has interviewed numerous drug dealers, drug users, and
8 knowledgeable confidential informants about the lifestyles, appearances, and habits of drug
9 dealers and users. He is familiar with the manner in which narcotics traffickers smuggle,
10 package, transport, store and distribute narcotics, as well as how they collect and launder drug
11 proceeds. He has had discussions with other law enforcement personnel about the packaging and
12 preparation of narcotics, the distribution methods of illegal narcotics traffickers, and the security
13 measures that narcotics traffickers often employ. SA Eckhart has also examined documentation
14 of various methods by which methamphetamine, cocaine, marijuana, and other illicit drugs are
15 smuggled, transported and distributed. He has participated in surveillance of narcotics
16 traffickers. During surveillance, SA Eckhart has observed narcotics transactions, counter-
17 surveillance techniques, and the ways in which narcotics traffickers conduct clandestine
18 meetings. He has also participated in investigations that involved the interception of wire
19 communications, and he has been directly involved in the review and deciphering of intercepted
20 coded-conversations between narcotics traffickers that were later corroborated by surveillance or
21 by defendants' statements.

22 4. SA Eckhart is one of the case agents participating in the investigation of Joseph
23 Solice ABBATE, aka Sherman Joseph Fisher, aka "Butch," aka "Mac Dre," aka "Andre Hicks"
24 (ABBATE); Ramon RUBIO, aka "Primo" (RUBIO); and others, for narcotics trafficking and
25 firearms-related offenses.

26 **II. PURPOSE OF THIS AFFIDAVIT**

27 5. This affidavit is being submitted in support of a criminal complaint and arrest
28 warrant charging Deonzelle Antonio PIERCE with possession with the intent to distribute

1 methamphetamine, in violation of 21 U.S.C. §§ 841(a)(1).

2 6. Because this affidavit is being submitted for the limited purpose of securing a
3 criminal complaint and arrest warrant, I have not included each and every fact known to me
4 concerning this investigation. I have set forth only those facts that I believe are necessary to
5 establish probable cause to believe that, on or about January 23, 2011, Deonzelle Antonio
6 PIERCE knowingly and intentionally possessed with intent to distribute a Schedule II controlled
7 substance, namely, a mixture and substance containing a detectable amount of
8 methamphetamine, in violation of 21 U.S.C. § 841(a)(1). The statements contained in this
9 affidavit are based on information provided to me by law enforcement officers as well as my
10 training, experience, and knowledge of this investigation.

11 7. In this affidavit I describe wire and electronic communications that have been
12 intercepted pursuant to the interception orders in this investigation. In doing so, I have
13 summarized portions of some, but not all, of the intercepted conversations. My summaries of
14 these conversations are based on my personal review of recordings of the intercepted
15 conversations, my training, experience, and knowledge of this investigation, notes of monitoring
16 personnel and/or reviewers which were taken while the recorded conversations were occurring or
17 at the time the conversations were reviewed, and/or other law enforcement personnel as to the
18 meaning of vague or coded language and certain words and phrases. My summaries of the
19 conversations are overviews and are not intended as verbatim transcripts. Even so, I have
20 included in quotation marks my best attempt to provide a draft transcript of some of the speakers'
21 words during the conversations. In some instances, I have only set forth the pertinent parts of
22 sentences and I have used ellipses in some sentences instead of words or phrases that are
23 unnecessary, profane, or repetitive. Subsequent review of the recorded conversations and the
24 preparation of verbatim transcripts may show changes from the summaries provided herein. In
25 addition, I know, based on my training, experience, and knowledge of this investigation (as well
26 as the training, experience, and knowledge of other Agents with whom I have spoken) that
27 criminal street gang members/associates and narcotics traffickers frequently use slang or coded
28 or intentionally vague language when discussing illegal activity, particularly narcotics trafficking

1 or firearms use and/or possession. When a word or phrase used by a speaker constitutes slang or
2 coded or intentionally vague language (or whose meaning would not be obvious to a layperson) I
3 have provided my interpretation of those words and/or phrases in parentheses. My
4 interpretations are based on my knowledge of and participation in this investigation and my
5 discussions with SA Eckhart and with other experienced law enforcement personnel. My
6 interpretations, however, may change as additional information is learned through the course of
7 the investigation. The actual names of callers have been used where agents believe they have
8 tentatively determined the identities of the callers, or where their voices are recognized by the
9 monitoring personnel or reviewers. Finally, once I have identified the telephone number used by
10 a given person in an intercepted conversation, I will not repeat that telephone number in my
11 descriptions of subsequent intercepted conversations unless that person uses a telephone number
12 different than the number he or she previously used. All times are approximate and all locations
13 are in California unless otherwise noted.

14 **III. PROBABLE CAUSE**

15 8. The wiretap portion of the investigation into the drug-trafficking activities of
16 Joseph Solice ABBATE has been ongoing since September 2010. Over the course of the
17 investigation, Agents have identified ABBATE and Deonzelle Antonio PIERCE by comparing
18 relevant surveillance observations with their respective DMV photographs. ABBATE was
19 identified as the user of the below telephone through the interception of telephone calls made by
20 him, and the surveillance conducted of the activities discussed during the intercepted telephone
21 calls (i.e., ABBATE was seen in the locations or participating in the activities referenced in the
22 preceding telephone calls). PIERCE previously used a different telephone that was subscribed in
23 his name: (925) 435-2342 (subscribed to Deonzelle Pierce, 2626 Hinkley Way, Richmond,
24 California). Based upon intercepted communications between ABBATE and PIERCE using his
25 previous telephone, Agents were able to recognize PIERCE's voice when he began using the new
26 telephone listed below.

27 9. On January 23, 2011, at 10:05 a.m., Deonzelle Antonio PIERCE sent a text
28 message from (925) 812-2331 (subscribed to James Brown, 12808 San Pablo Avenue,

1 Richmond, California) to Joseph Solice ABBATE at (510) 860-8197 (Session 1143), stating:
2 "Cutty hit me 14 28." At 10:26 a.m., a call was intercepted between PIERCE and ABBATE
3 (Session 1146). During the conversation, PIERCE stated: "Boys were roll'n." ABBATE stated:
4 "I know man, this shit's been roll'n lately. . . . It's been busy 'round this motherfucker."
5 PIERCE asked: "You got that cakes?" ABBATE responded: "Yeah, I got your tics right now
6 too." PIERCE asked: "Is it good?" ABBATE responded: "Yeah, about to grab a new one
7 yesterday, a good one. . . . It's some good one, yep, good, white, all white, good, big pieces."
8 PIERCE asked: "Big pieces?" ABBATE responded: "Yep, big pieces, like mixed, but mostly
9 big, big chunks in there." ABBATE asked: "Need fourteen (grams) and twenty eight (grams)?"
10 PIERCE responded: "Yup." The two then planned to meet later. At 12:00 p.m., a call was
11 intercepted between PIERCE and ABBATE (Session 1153). During the conversation, ABBATE
12 stated that he would be there in five minutes. At 12:04 p.m., a call was intercepted between
13 PIERCE and ABBATE (Session 1156). During the conversation, ABBATE stated: "I'm right
14 down here."

15 10. At 12:05 p.m., Agents observed a green Monte Carlo bearing CLP 6NNC837
16 (registered to Edward Santos Espiritu, 277 Violet Road, Hercules) (the Monte Carlo) arrive at
17 4675 Appian Way and drive to the rear of the apartment building. (Based upon surveillance
18 observations, Agents believe that PIERCE lives at 4675 Appian Way, Apt. #116, El Sobrante.)
19 At 12:10 p.m., Agents observed the Monte Carlo depart 4675 Appian Way. Agents observed that
20 ABBATE was the driver of the Monte Carlo.

21 11. I believe that these intercepted communications evidence PIERCE's purchase of
22 an ounce and a half of methamphetamine – as there are roughly "28" grams in an ounce and "14"
23 grams in a half-ounce – and ABBATE's delivery of the same to PIERCE's residence. Based
24 upon the language used by ABBATE and his customers during other intercepted communications
25 throughout this investigation, I believe that ABBATE was discussing the color and the quality of
26 the methamphetamine when he mentioned that it was "good, white, all white, good, big pieces."
27 I believe that the intercepted communications further indicate that PIERCE resells the
28 methamphetamine purchased from ABBATE, as PIERCE used apparent slang to say that

1 business is very busy (i.e., "boys were roll'n").

2 **IV. CONCLUSION**

3 12. For the reasons stated above, I believe there is probable cause to believe that, on
4 or about January 23, 2011, Deonzelle Antonio PIERCE knowingly and intentionally possessed
5 with intent to distribute a Schedule II controlled substance, namely, a mixture and substance
6 containing a detectable amount of methamphetamine, in violation of 21 U.S.C. § 841(a)(1). I
7 respectfully request that the Court issue the requested criminal complaint and arrest warrant.
